## BUBBLEMAKER STATEMENT OF RISKS AND LIABILITY

# Please read carefully and fill in all blanks before signing.

This is a statement in which you are informed of the risks of skin and scuba diving. The statement also sets out the circumstances in which your child participates in the diving programme at your child's own risk.

Your signature on this statement is required as proof that you and your child have received and read this statement. It is important that you read the contents of this statement before signing it. If you do not understand anything contained in this statement, then please discuss it with your child's instructor.

## **WARNING**

Skin and scuba diving have inherent risks which may result in serious injury or death.

Diving with compressed air involves certain inherent risks; decompression sickness, embolism or other hyperbaric injury can occur that require treatment in a recompression chamber and your child will be exposed to these risks. This programme may be conducted at a site which is remote, either by time or distance or both, from such a recompression chamber

Skin and scuba diving are physically strenuous activities and your child will be exerting themselves during this diving programme. You must advise truthfully and fully inform the dive professionals and the facility through which this programme is offered of your child's medical history.
